*****City Hall Closed – [Learn More](#) About Long-Range Facility Planning*****

May 6, 2024

Providing official notice of land use applications, meetings, decisions, recommendations, hearings, and appeals of land use decisions within the City of Mercer Island.

How to use this bulletin

To learn more about a project:

- Click the “Project Documents” link to view digital documentation. The project documents available through this link contain most, but may not contain all, publicly available information. For example, when a project is updated with a different project design, older designs may be removed from the public folder to avoid confusion. Each folder will be updated when there is a project revision.
- Call the project planner to arrange to review the project files. The planner’s contact information is in the notice. You may also call the “Planner Helpline” for zoning related questions at 206-275-7729. Additional resources are available online:
 - <http://www.mercerisland.gov>: Staff directory, city regulations, and additional information about permits.
 - <http://www.mybuildingpermit.com>: Follow the status of a specific permit by address or permit number.
 - [Mercer Island Map Portal](#): A tool to search for site-specific information.

To comment on a project:

If comments are provided within the specified comment period, they will be forwarded to the appropriate reviewer, and you will become a party of record. Written comments can specifically address how the proposed work does not meet one or more of the criteria listed in the Applicable Development Regulations.

- Send your comments in writing to the project planner identified in the notice. Be sure to include your name, address, and email if applicable.
- The City will accept public comments at any time prior to the closing of the record of an open record predecision hearing, if any, or if no open record predecision hearing is provided, prior to the decision on the project land use review.
- If you submit a written comment, staff will send you a copy of the notice of decision or recommendation.

Will there be a public hearing on this application?

Public Hearings are only required for Type 4 permits. For a list of Type 4 (IV) permits, please refer to [Mercer Island City Code 19.15.030](#) Table A. The project will state under the Public Hearing section if a hearing is required.

What is SEPA?

State Environmental Policy Act (SEPA) is a review intended to act as a “safety net” in protecting the environment. Following SEPA review, the City must issue a determination of Significance, Non-Significance, or a Mitigated Determination of Non Significance. Applicants for a SEPA review must complete a SEPA [checklist](#), and may need to prepare additional mitigation to avoid a “probable significant impact” to the environment.

When is a project SEPA exempt?

The state Department of Ecology establishes categorical exemptions to SEPA review, which are generally described here: [WAC 197-11-800](#). For example, a shoreline dock may be SEPA exempt if the dock was legally established, and normal maintenance and repair is proposed. However, SEPA is required if the dock will expand or if a new dock is built.

Where can I find more information?

Please review the Washington State Department of Ecology SEPA [website](#) and the SEPA [handbook](#). Another useful page is the SEPA form templates found [here](#).

How to search permit records online.

Land use review actions that are not listed in this bulletin can be searched online at <https://permitsearch.mybuildingpermit.com/>. Searching online permit records requires the following steps:

1. Select “Mercer Island” from the jurisdiction dropdown menu.
2. In the blue “Search by” section, click the “Project Info” tab.
3. The “Project Name/Description” field is optional. It can be left blank unless searching for a specific project.
4. Select the permit type from the “Permit Type” dropdown menu.
5. Use the “Permit Status” field to narrow searches by status. This field is optional. “Permit Status” can be left blank unless searching for a specific project.
6. Use the “Date Type” to limit your search to permits either applied, issued, or finalized. Use the “Applied” option to search for permits that are still in review. Use the “Issued” option to see permits that have been issued; these permits were approved. The “Finalized” option will show permits that received a final inspection and approval (Note: not all permits are finalized, only those requiring a final inspection will be finalized).
7. Use the “From” and “To” fields to define the dates you want to search between.
8. After the search is conducted, results will display below the search fields. You have the option of downloading the records to an Excel spreadsheet.

Notices of Public Hearings

Comprehensive Periodic Review – Public Hearing May 29, 2024

Notice is hereby given that the Mercer Island Planning Commission will hold a public hearing at its Hybrid Meeting on Wednesday, May 29, 2024, at approximately 6pm, to receive comments on amendments to the Comprehensive Plan as part of the 2024-2044 Periodic Review.

For more information, read about the project on Let's Talk at <https://letstalk.mercerisland.gov/comprehensive-plan-periodic-update>

The public hearing will be held in person and using Zoom. The public will have the opportunity to comment during the public hearing by either attending in person, calling in, or logging onto the meeting via Zoom. Written comments may be submitted to the City of Mercer Island by e-mail to cityclerk@mercerisland.gov until such time that the public hearing is adjourned.

Detailed instructions on how to comment live during the public hearing will be available online on or before May 24, 2024, at: <https://www.mercerisland.gov/bc-pc>

SEPA Threshold Determination on Non-Significance (DNS)

NOTICE IS HEREBY GIVEN for the application described below:

Application No.: SEP24-005

Permit Type: Type III

Description of Request: This proposal is a non-project action to amend the City of Mercer Island Comprehensive Plan and adopt development regulations consistent with the requirements in RCW 36.70A.130. The planning period for this update is 2024-2044 and will include providing capacity for 1,239 new housing units during the planning period along with 1,300 new jobs.

This Comprehensive Plan update will include the following:

- Extension of the City's planning horizon to 2044 with updated growth targets; policy and text amendments to:
 - Correspond with changes to state and regional guidance;
 - reflect evolving City policy;
 - Increase readability, clarify direction, remove redundancies and add new/updated information;
- Updates to the goals and policies of the Comprehensive Plan to comply with requirements in the Growth Management Act (GMA), Multi-County Planning Policies (MPPs) from PSRC's Vision 2050, and King County Countywide Planning Policies (CPPs);
- Amendments to the Land Use, Housing, Transportation, Capital Facilities, and Utilities Elements;
- Adoption of a new Economic Development Element and a Parks and Open Space Element;
- The City's Shoreline Master Program (SMP) Element will not be amended during this periodic review;
- Modification to the City of Mercer Island Land Use and Zoning maps as described below;
 - Recategorization of some properties on the Land Use Map to reflect that they are now City parkland or open space; and
 - Establishment of a new Open Space zone;
- Updates to sections of Title 19 Mercer Island City Code (MICC) – Unified Land Development Code to provide consistency with policy changes and GMA requirements; and
- Amending the allowed uses in the Commercial/Office Zone to allow residential uses and adjusting the height limits in the Town Center subareas to handle future growth targets and accommodate Mercer Island's housing needs as established by the King County CPPs (Ordinance 19369) and the updated City of Mercer Island Comprehensive Plan.

The Determination of Nonsignificance (DNS) for this proposal was made after review of a State Environmental Policy Act (SEPA) checklist and the proposed amendments. Some of the primary reasons for making the DNS are:

- This is a non-project action and does not include any proposed development. No disturbances to resources will directly result from adoption of this Comprehensive Plan;
- Any future development authorized under the Mercer Island Comprehensive Plan will be evaluated separately from the proposed non-project action and in compliance with Chapter 19.21 MICC;
- Rezoning open spaces from the current zoning to a new open space zone that limits development intensity will significantly reduce impacts from allowed land uses. This is expected to have a positive impact on the environment; and

- The levels of service for City services, facilities, and infrastructure are expected to remain within City's adopted acceptable ranges.

Applicant: City of Mercer Island
 Community Planning & Development Department
 c/o Alison Van Gorp, Deputy Director

Determined to be Complete:	April 24, 2024
Bulletin Notice:	May 6, 2024
Comment Period Ends:	5:00PM on May 20, 2024

Based on review of the proposal and applicable City code sections, the lead agency for this proposal has determined that the proposal does not have a probable significant adverse impact on the environment that is not addressed by the aforementioned code sections. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist. This information is available to the public on request.

<input type="checkbox"/>	There is no comment period for this DNS.
<input type="checkbox"/>	This DNS is issued after using the optional DNS process in WAC 197-11-355. There is no further comment period on the DNS.
<input checked="" type="checkbox"/>	This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 14 days from the date of this notice.
