Mercer Island, WA 98040

The following is a list of changes to the plans since last submittal.

Site Plan

1. A debris fence will be determined by geo-tech during construction monitoring
2. A temporary sediment insert has been added to the catch basin on Avalon Drive.
3. Property line dimensions to the wall and soffit have been added.
4. Critical Slope Overlay Area depiction added to plans
5. Legend revised to add Disturbance Line call out

Let me or the permittee know if you have any questions or concerns regarding this set of responses or the attached documents.

Sincerely,

*Timothy Sarkela*  
Project Engineer
