RE: **CAO25-001** Review Letter 1; 8030 SE 20th St, Mercer Island, WA 98040

Dear Brad Sturman,

The City of Mercer Island Community Planning and Development Department has completed a review for compliance with the zoning code, Title 19 of the Mercer Island City Code (MICC) for the above Critical Area Review 2 (CAR2) application. The following issues need to be addressed in your resubmission:

Geotech Peer Review:

1. Please see review comments on building permit 2502-079.

Planning:

1. Provide a Disclosure and Notice on Title recorded with the King County Recorder's Office and submit a copy.
2. A landscaping plan is required that includes the landscaping of all disturbed areas outside of the building footprints and installation on hardscape, prior to final inspection per MICC 19.07.160(B)(2)(d)
3. Have your Geotech provide a memo addressing mitigation sequencing. See MICC 19.07.100- Mitigation sequencing, address each measure listed specifically.

The City's processing of the CAR2 application has been put on hold until these issues are resolved. Pursuant to MICC 19.15.110, all requested information must be submitted within 60 days or a request for extension requested. The deadline for a complete response or request for extension is July 29, 2025. If a complete response is not received or an extension response has not been received prior to that date, the application will expire and be canceled for inactivity. No additional notification regarding this deadline or expiration of the application will be provided.

Sincerely,

Grace Manahan
