## CONCURRENT REVIEW

---

I am requesting that my permit submittal be accepted and reviewed concurrently during the review of our land use action (File # \_\_\_\_\_). I fully understand that the land use application must be approved prior to the issuance of the permit. I take full responsibility for all fees incurred for the permit review and understand that the fees are payable to the City of Mercer Island regardless of the land use outcome. I hold the City harmless for any actions arising from the concurrent review of the permit application, including but not limited to the potential denial of the permit if the land use action is denied.

A handwritten signature in blue ink, appearing to read "Seth Hale", is written over a light blue rectangular background.
