Dear Russell Palachuk,

The City of Mercer Island Community Planning and Development Department has completed a review for compliance with the zoning code, Title 19 of the Mercer Island City Code (MICC) for the above Critical Area Review 2 (CAR2) application. The following issues need to be addressed in your resubmission:

Planning:

1. Provide a Disclosure and Notice on Title recorded with the King County Recorder's Office and submit a copy.
2. Add landscaping plan sheet to plan set.

The City's processing of the CAR2 application has been put on hold until these issues are resolved. Pursuant to MICC 19.15.110, all requested information must be submitted within 60 days or a request for extension requested. The deadline for a complete response or request for extension is September 22, 2025. If a complete response is not received or an extension response has not been received prior to that date, the application will expire and be canceled for inactivity. No additional notification regarding this deadline or expiration of the application will be provided.

Sincerely,

*Grace Manahan*
