Dear Russell Palachuk,

The City of Mercer Island Community Planning and Development Department has completed a review for compliance with the zoning code, Title 19 of the Mercer Island City Code (MICC) for the above Critical Area Review 2 (CAR2) application. The following issues need to be addressed in your resubmission:

Planning:

1. 2502-039 currently has a target review date of 10/16/2025, please look out for an email with that review then. Please see review comments on building permit 2502-039 and submit updated plan set to CAO25-007 once revisions are made.

The City's processing of the CAR2 application has been put on hold until these issues are resolved. Pursuant to MICC 19.15.110, all requested information must be submitted within 60 days or a request for extension requested. The deadline for a complete response or request for extension is December 13, 2025. If a complete response is not received or an extension response has not been received prior to that date, the application will expire and be canceled for inactivity. No additional notification regarding this deadline or expiration of the application will be provided.

Sincerely,

Grace Manahan
