Date Rec: March 20, 2026

#	RESPONSE	SHEET
1	<p>One public comment was received for this project. Please provide a response to the public comment to be published with the permit materials.</p> <p>Noted. An additional public comment letter was also received via email subsequent to the correction notice. Both public comments appear to be copies of those received under the associated building permit, 2510-150. Please find attached a version of the public comment response letter originally written as part of 2510-150's response to corrections. It has been revised to include the CA025-023 permit number and reference documents submitted on March 6, 2026 but is otherwise the same as the previous version.</p>	ATT
