My husband and I moved to Mercer island over 40 years ago from Kirkland. We built our home here and raised our son here and joined the Jcc and still belong. Now as a senior Citizen It still is an important part of my life. I attend the pool exercises during the week and use the gym. It is an amazing organization that serves everyone .

Our Grandson also attended classes as a preschooler and fought against the racism at Whitman college which he attends presently.

We are not Jewish but the fact that it serves everyone is extremely important.
