Subject: Support Proposed Zoning Change for the SJCC

To the Members of the Planning Commission:

I'm writing to urge your support to amend the Comprehensive Plan to change the designation of the SJCC property from single-family to commercial.

The JCC has been a place of inclusiveness and gathering. Since we moved here with our two children in 2024; we have used the facility for a place that provides a safe, nurturing and educational space for our children to grow and learn. Myself uses it as a space to stay healthy and clear my mind by using the gym and attending the fitness classes. My family has also attended some of the events held by the JCC such as the movies and a treat. (Frozen and frozen yogurt) (Moana and milkshakes). My oldest daughter takes swim lessons there and has made a lot of improvement through the lessons. We also use the pool to attend open swim with both our young children. Regardless of one's religion or beliefs we have felt welcomed and it is a place everyone on the island and beyond can enjoy.

Please consider changing the zoning from single family to commercial for the JCC to continue to server and support our community as it moves foward.
