EXECUTIVE SUMMARY

The purpose of this agenda item is to brief the Planning Commission on the Station Subarea Plan Goals and Policies. Planning Commission comments on the draft goals and policies are due on May 11.

- The City completed a periodic review and update of the Mercer Island Comprehensive Plan, which was adopted by the City Council on November 19, 2024 ([AB 6573](#)).
- The 2024 Comprehensive Plan was appealed to the GMHB on the grounds that the Comprehensive Plan did not adequately plan for and accommodate future affordable housing needs (GMHB case number 25-3-0003). On August 1, 2025, the GMHB issued a final decision and order (GMHB Order).
- The GMHB Order found that the City must make changes to its Comprehensive Plan to comply with the Washington State Growth Management Act (GMA).
- The City Council has provided directions for addressing compliance with the four issues in the GMHB Order at the following meetings:
 - [January 16, 2026 – AB 6838](#)
 - [February 17, 2026 – AB 6865, AB 6866, and AB 6871](#)
 - [March 17, 2026 – AB 6888 and AB 6894](#)
 - [April 21, 2026 – AB 6909 and AB 6911](#)
- The City is required to update its Comprehensive Plan and adopt a Station Subarea Plan in order to comply with the GMHB Order.
- Development regulation amendments to implement the Comprehensive Plan and Station Subarea Plan need to be made concurrently with the Comprehensive Plan update.
- The draft development code amendments are provided in Exhibit 1.
- Planning Commission comments on the drafts of the Station Subarea Plan, Land Use Element, Housing Element, and Economic Development Element are due by 4:00 PM on May 18.
