Following is an emergency procedures plan to be executed in the event of either a natural or man-made disaster such as a landslide or erosion control problem.

1. Dan Garman, Site Supervisor for the general contractor Gallagher Construction, shall account for the whereabouts, safety, and well-being of all persons on-site at the time of the event.
2. Evacuate site in the safest and quickest manner to the East along Forest Ave.
3. Contact emergency personnel (911) for injuries sustained requiring immediate attention.
4. Notify Dan Garman, Project Manager at Gallgher Construction as soon as safely able to do so.
5. Dan Garman to coordinate mitigating impact to road and/or any adjacent properties as well as any site stabilization measures necessary to reestablish a stable site.
