Development Application
Seasonal Development Limitation Waiver
5995 SE 30th ST Mercer Island
Project #2405-135 Post Permit Rev #2

I am writing to request a Seasonal Development Limitation Waiver to continue excavation and concrete construction (site/retaining walls) through winter for a terrace extension project as per the below/attached documents.

- Development Application
- Letter to building official requesting waiver
- Geotechnical Report/Waiver Moratorium
- Working Drawings
- Construction Schedule
- Erosion Control Plan
- Emergency Procedures
- Emergency Contact Information

Please review the submitted material and let me know if you require any additional material or have any questions.

Best regards,

David Taber
