

October 22, 2025

ATTN: Permitting Department
City of Mercer Island
Mercer Island, WA

To whom it may concern,

Please find attached Exxel Pacific's Seasonal Development Limitation – Wet Season Construction Approval application packet for the Barnabie Point Project located at 3700 E Mercer Way, Mercer Island WA 98040. With this letter, we are requesting a Wet Season Construction Approval for the aforementioned project.

Per the construction schedule included within the application packet, Excavation & Sitework will be occurring onsite through an approximate period between early December 2025 through March 2026.

Should you have any questions please contact the undersigned directly.

Thank you

Sincerely,
EXXEL PACIFIC, INC.

Seth Harjala,
Project Manager
