Subject: Support Proposed Zoning Change for the SJCC

Dear Molly,

I'm writing to urge your support of the SJCC property rezone to Commercial Office.

I have been a member of the SJCC for the past couple of years and enjoy attending cultural events there. It is the only place of its kind on the Island where one can go see Renee Erickson moderate a cooking panel with two British Israeli chefs or go hear the Rabbi of Central Synagogue in Midtown come discuss her new book. I live on the Island and regard the SJCC as a huge asset to my community.

The J has been serving the Mercer Island community – as a community center – for over 55 years.

Please recommend approval of the rezone to ensure the J can continue to serve our community and thrive on Mercer Island for the next 55 years.

All the best,

Barbara Prince
