Subject: Support Proposed Zoning Change for the SJCC

Dear Ms. McGuire--

I'm writing to urge your support of the SJCC property rezone to Commercial Office.

Needless to say, the JCC is a *very* tired institution, structurally-speaking! A major remodel is long overdue, and now is the right time for the City to finally approve the plans that the J have put in place to create an institution that will serve a broad spectrum of our community for the next 50 years. Maybe longer! Please help get us over the finish line.

I and my family have been a part of the JCC since 1996. Our daughters went to preschool and various summer camps. My husband and I played racquetball there until 2015. I taught there from 1997 until I retired in 2019. We both use the fitness room, learned to play bridge, Paul gardens, we see movies, and we've met lifelong friends through activities there.

Please approve the rezone!!
