Subject: Please support rezone of The SJCC to Commercial Office

I'm writing to urge your support of the SJCC property rezone to Commercial Office.

As a long-time Mercer Island resident and the parent of children who were fortunate enough to attend the JCC's early childhood programs and community events, I can't say enough about how important the J is to our community.

The J has been serving the Mercer Island community – as a community center – for over 55 years and was an important reason why we moved from Kirkland (where we had lived for 15 years) to Mercer Island once our children were old enough to participate at the J. Now, while our children are grown, we still see the J as a core part of the MI experience, not just for Jewish people, but for anyone seeking a warm and inviting community that they can make their own.

Please recommend approval of the rezone to ensure the J can continue to serve our community and thrive on Mercer Island for the next 55 years.

Best,
Ian Morris
