Subject: Support Proposed Zoning Change for the SJCC

Hi Molly,

I'm writing to urge your support of the SJCC property rezone to Commercial Office.

I've been a SJCC member for over 25 years. It a great organization and a unique asset to the Mercer Island community.

Please recommend approval of the rezone to ensure the J can continue to serve our community and thrive on Mercer Island for many years to come.

Thank you,

Eric Radman
