### Project Narrative

To Whom it may concern:

This project narrative is for permit no. 2312-069, it covers the construction of the current extended mudroom wall. The project is seeking a shoreline exemption under WAC 173-27-040.(g) because the extended mudroom wall can be classified as an appurtenance to the single- family home.

If there are any questions or further explanation, please contact 253-466-3816.

Sincerely,  
Brenda Peck  
Arch. Designer
