## **Cover Letter – Newton, Stephen boat lift Re-orientation Shoreline Exemption**

Dear Planner,

I'd like to ask that the below items 1-3 be waived for this shoreline exemption permit submittal since the Newton's currently have an open building permit (2308-193) for dock repair that I am the current agent for.

The reason for this shoreline exemption permit is to re-orientate an existing boat lift and remove another.

- 1. Title Report. Less than 30 days old.*
- 2. Affidavit of Ownership. An Affidavit of Ownership, signed before a notary.*
- 3. Affidavit of Agent Authority. An Affidavit of Agent Authority, signed before a notary.*

Stephen Newton still have an open MI building permit (2503-242), USACE (NWS-2025-00303), WDFW (HPA-2025-4-82+02)

USACE and WDFW have approved a modification to expand the scope to include the re-orientation and removal of the boatlift.
