RE: Project 2019066 Covenant Shores

Mr. Harriman,

As a resident of Mercer Island and an employee and future resident of Covenant Living at the Shores, I am writing to express my strong support for the proposed replacement of the Lodge building. I have worked in this building for the past seven years and I am aware of the need to replace this beloved building which has lived its reasonable life. The proposed plan will address many of the needs of our campus – including a kitchen that fits the size of the campus, common space for resident activities, expanded dining options (offers of three meals a day), underground parking and administrative workspace that is functional and up-to-date.

Thank you for your consideration,

Elisabeth Bahn
